Lost Child Procedure on a trip

All staff will be aware of the procedure when a child goes missing and supply information to support the search, e.g., a recent photograph and a detailed description of clothing.

- The organiser will be informed immediately, and all present staff will be informed. Some staff will be deployed to start an immediate thorough search of the area, ensuring that all other children remain supervised, calm, and supported throughout.
- If appropriate, on-site security will also be informed and a description given.
- The designated person in charge will immediately inform the police.

- The designated person in charge will then inform the Nursery or Care Club who will contact the child's parents giving details of what has happened. If the whole Nursery or Care Club is on an outing, all contact details will be taken on the trip by the person in charge.
- During this period, staff will be continually searching for the missing child, whilst other staff maintain the safety and welfare of the remaining children.
- It will be the designated person in charge or the Manager's responsibility to ensure that there are adequate staff to care for the children and get them back safe, a member of staff to meet the police and someone to continue the search (this may mean contacting relief staff).
- Any incidents must be recorded in writing as soon as practicably possible including the outcome, who was lost, time identified, notification to police and findings.
- In the unlikely event that the child is not found, the Nursery or Care Club staff will follow the police instructions.
- Ofsted must be contacted and notified of the incident and outcome Ofsted 0300 123 1231.
